

# Financial Freedom

Helping people discover  
God's design for successful  
financial management.

*Financial Freedom* is a safe place  
to come where all discussions are  
held in confidence

*If you abide in my word, you are my  
disciples indeed. And you shall know  
the truth, and the truth shall make  
you free. (John 8:31b–32)*

## Who We Are

*The Financial Freedom* ministry equips people to faithfully live according to God's financial principles through practical application and Biblical study.

## What We Believe

Achieving true financial freedom begins by understanding our attitudes toward money and possessions, recognizing that God ultimately owns everything. Practically, financial freedom comes from developing a disciplined plan for spending, budgeting, giving, working, saving, investing and retirement planning. By living this way, we discover the freedom God desires for us.
