

FIRST FREE
CHURCH

First Free Church is full of anticipation for what God wants to do in and through us. Founded in 1983 by five families looking for a place to study God's Word, we have grown into a congregation with an average weekly attendance of 1300+ adults, teens, and children. From the beginning, we have been known for solid biblical teaching coupled with warm community. We have also had a strong focus on outreach through global missions, local service, and church planting.

Under the direction of Senior Pastor Adam Bowers, who joined us in October 2017, we are eager to move forward into our next season of ministry. Located in West St. Louis County, we are ideally positioned to impact our region for God's kingdom. Over 70,000 people live within 3 miles of our campus, many of whom are young families. Also within 3 miles are over 15 schools, nearly 10 parks, and many businesses. Our community has grown in diversity, and we desire to become a church body that reflects that diversity. We are working to reach out to our neighbors with the good news of Jesus Christ and make an impact on our region.

We believe that those in vocational ministry have a responsibility to "equip God's people to do his work and build up the church, the body of Christ." (Eph. 4:12, NLT) Our staff team is committed to discipling our members and training them for service according to their talents and spiritual gifts. We seek to *be* the church, not just be a place where people *go* to church. We strive for a culture of authenticity as we worship, grow, serve, and do life together as the body of Christ.
