

## Hello, My Name Is (Week 4)

September 1, 2019

1. Do you find it difficult or easy to form deep relationships?
2. What have been the best ways you've found to make friends?
3. Why is it important to be selective about your closest friendships? Have you ever allowed someone to get close to you who was consistently a bad influence on your life? If so, what did you learn from that experience?
4. Why are authenticity and vulnerability important for deep relationships?
5. **Proverbs 27:6**  
*Wounds from a sincere friend are better than many kisses from an enemy.*

What are some ways a friend can wound you that are helpful?

How does an enemy give kisses that should make you cautious of their friendship?

6. **Hebrews 10:24**  
*Let us think of ways to motivate one another to acts of love and good works.*

Let's get creative! Brainstorm some ways that you can motivate people to love more and do more good. Don't just think of good things to do, think of ways to encourage others to do good and love more. You have far more influence on people around you than you probably realize!
