Listen Up

1. Describe a time when you were listened to well. How did that impact you?
2. What will you do to intentionally level up your listening? With whom?

Build Up

1. Discuss a key moment in your life when someone encouraged you in a way that really blessed you. What specifically did that person say or do to make you feel encouraged?
2. What are three things you are going to do in the next few days to build up another person?
3. What stories and examples in the Bible do you find where one person is building up another person? What was the outcome of the person who was being built up?

Lead Up

1. Where do you feel you have the most influence on other people right now?
2. Where would you like to have more influence and leadership capacity?
3. What steps can you take in the next few weeks to be an example ("in what you say, in the way you live, in your love, your faith, and your purity") and earn the right to lead up?
