

# HOW TO USE FACE COVERINGS

1

**Before putting on a face covering, please clean your hands using the provided hand sanitizer.**

2

**Put the face covering on over your head, and make sure that your mouth and nose are covered. Clean your hands again.**

3

**Please do not remove the face covering until you have exited the building. Dispose of your face covering in a trash can. Please do not re-use single use face coverings.**

**THANK YOU!**
