

ROOTED IN CHRIST

Living in Light of God's Grace

Colossians 1:11-14 | Steve Lancaster | 9/27/20

1. Paul prayed a big prayer for the Colossian Christians. Do you pray big prayers? Why or why not?
2. When have you *experienced* the grace of God in your life?
3. According to Paul, God *enables* us to share in His inheritance, God *transfers* us from darkness into light, and God *redeems* us from our sins. Which of these three do you relate to the most? Which of these three do you think about the least?
4. Charles Simeon once said, "I have always judged it better to loathe myself the more, in proportion as I was assured that God was pacified towards me." What does this mean? Do you agree with this statement? Explain.
5. What purpose does understanding the goodness of God have in the life of a Christian?
6. In Colossians 1:11-14, Paul primarily talks about what God has done for him. How does this differ from the way you generally live your life?
